# Amazon Prime Video and CBS Hit Warp Speed with Exclusive International Agreement for the New "Star Trek" Jean-Luc Picard Series Starring Sir Patrick Stewart

## May 13, 2019

### Episodes Will Be Available on Amazon Prime Video in More Than 200 Countries and Territories Within 24 Hours of the U.S. Premiere

#### on CBS All Access

LOS ANGELES and AMSTERDAM – May 13, 2019 – Amazon Prime Video will be the exclusive streaming home of the new untitled "Star Trek" Jean-Luc Picard series in more than 200 countries and territories, outside of the U.S. and Canada. Under the multi-year agreement with CBS, each episode will be available on Amazon Prime Video within 24 hours of its U.S. premiere. The joint announcement was made today by CBS Studios International and Amazon Prime Video.

The new "Star Trek" series features Sir Patrick Stewart reprising his role as the venerable Jean-Luc Picard, which he played for seven seasons on "Star Trek: Next Generation." The series will follow this iconic character in the next chapter of his life.

"There's only one word that can begin to describe Sir Patrick Stewart as Starship Commander Jean-Luc Picard, and that's 'legendary," said series executive producer Alex Kurtzman. "We are thrilled beyond measure to have him back in command, bringing the optimistic messages of 'Star Trek' to audiences around the world."

"We're thrilled to partner with CBS to bring the newest edition of the storied 'Star Trek' franchise to our international Amazon Prime Video customers," said Brad Beale, Vice President, Worldwide Content Licensing for Amazon Prime Video. "With the incredible Sir Patrick Stewart returning as the beloved Jean-Luc Picard, we're excited we can give 'Trek' fans both old and new the opportunity to see him back in action. It's a terrific addition to our already robust catalog of exclusive Amazon Prime Video content."

"For 50 years, the 'Star Trek' series have been a global sensation, spanning generations and audiences of all ages. It's an honor to welcome Sir Patrick Stewart back for what is sure to be another world-class extension of the historic franchise," said *Armando Nuñez*, President and Chief Executive Officer, CBS Global Distribution Group. "We look forward to working with the team at Amazon Prime Video to bring this next chapter of the incredible 'Star Trek' franchise to its passionate international fan base."

In the U.S., the series will be available exclusively on *CBS All Access*, CBS' direct-to-consumer digital subscription video on-demand and live streaming service, which is available on all major digital platforms including Amazon Prime Video Channels and Fire TV.

Alongside Stewart, the series will also star Alison Pill ("The Newsroom"), Harry Treadaway ("Penny Dreadful"), Isa Briones ("American Crime Story: Versace"), Santiago Cabrera ("Salvation"), Evan Evagora (newcomer), and Michelle Hurd ("Blindspot"). The series will be produced by CBS Television Studios in association with Secret Hideout and Roddenberry Entertainment. Alex Kurtzman, Michael Chabon, Akiva Goldsman, James Duff, Patrick Stewart, Heather Kadin, Rod Roddenberry and Trevor Roth will serve as executive producers and Aaron Baiers (Secret Hideout) will serve as co-executive producer and Kirsten Beyer will serve as supervising producer.

#### **About CBS Studios International**

CBS Studios International is the leading supplier of programming to the international television marketplace, licensing to more than 200 markets in more than 60 languages across multiple media platforms. The division distributes programming from CBS Television Studios created for the CBS Television Network, The CW, *CBS All Access* and other platforms, as well as content from CBS Television Distribution, Showtime Networks, CBS News, CBS Films and a library of more than 70,000 hours of programming. The Studio participates in a number of international channel ventures, including owning and operating Network 10 in Australia and also exports a diverse line-up of formats for local production. CBS Studios International has 13 offices around the world, including its base in Los Angeles and EMEA headquarters in Amsterdam. CBS Studios International is a division of CBS Corporation.
