As of the Expiration Date, Securities in each series listed in the table above (other than with respect to the 2057 Debentures), validly tendered after the Early Tender Deadline but on or prior to the Expiration Date are expected to be accepted for purchase on June 11, 2020 (the "Final Settlement Date").

Securities not accepted for purchase will be promptly credited to the account of the registered holder of such Securities (individually, a "Holder" and collectively, the "Holders") with The Depository Trust Company and otherwise returned in accordance with the Offer to Purchase.

As announced previously, Holders of Securities validly tendered and not validly withdrawn on or prior to the Expiration Date that were accepted for purchase will receive the Total Consideration (as defined in the Offer to Purchase), which includes the early tender premium of \$30.00 per \$1,000 principal amount of Securities accepted for purchase. All payments for Securities purchased in connection with the expiration of the Offers will also include accrued and unpaid interest on the principal amount of Securities purchased from the last interest payment date applicable to the relevant series of Securities up to, but not including, the Final Settlement Date.
