Ladies and Gentlemen:

CBS Corporation, a Delaware corporation (the "Company"), proposes to issue and sell to the several Underwriters listed in Schedule 1 hereto (the "Underwriters," which term shall include any underwriter substituted hereinafter as provided in Section 10 hereof), for whom you are acting as representatives (the "Representatives"), \$700,000,000 principal amount of its 6.750% Senior Notes due 2056 (the "Notes"). The Notes are guaranteed on an unsecured basis (the "Guarantees") by CBS Operations Inc., a Delaware corporation (the "Guarantor"). The Notes and the Guarantees are hereinafter collectively referred to as the "Securities." The Securities will be issued pursuant to an Indenture dated as of June 22, 2001 (as so amended and supplemented from time to time, the "Indenture") among the Company, the Guarantor and The Bank of New York, as trustee (the "Trustee"). Certain terms of the Securities were or will be established pursuant to resolutions adopted by the Company dated March 20, 2007 pursuant to Section 301 of the Indenture.

1. Representations and Warranties. The Company and the Guarantor jointly and severally represent and warrant to the Underwriters, as of the date hereof, as follows:

(a) Registration Statement and the Prospectus. The Company has filed with the Securities and Exchange Commission (the "Commission") a (i) registration statement on Form S-3 (No. 333-52728) under the Securities Act of 1933, as amended (the "1933 Act"), and (ii) registration statement on Form S-3 (No. 333-62052), which also constitutes Post-Effective Amendment No. 1 to the Registration Statement on Form S-3 (No. 333-52728) under the 1933 Act (together, including the information (if any) deemed to be part of the registration statement at the time of effectiveness pursuant to Rule 430A, Rule 430B or Rule 430C under the 1933 Act, the "Registration Statement") in respect of, among other things, the Securities. The Company meets the requirements for use of Form S-3 under the 1933 Act. If the Company files a registration statement with the Commission pursuant to Rule 462(b) of the rules and regulations under the 1933 Act, then all references to the Registration Statement shall also be deemed to include that Rule 462(b) registration statement. The Registration Statement has been declared effective by the Commission, and the Indenture has been qualified under the Trust Indenture Act of 1939, as amended (the "1939 Act"). The prospectus included in the Registration Statement, as such prospectus was amended on March 19, 2007, is hereinafter referred to as the "Base Prospectus." The Base Prospectus, as supplemented by the prospectus supplement specifically relating to the Securities in the form first used to confirm sales of the Securities (or in the form first made available to the Underwriters by the Company to meet requests of purchasers pursuant to Rule 173 under the 1933 Act) is hereinafter referred to as the "Prospectus," and the term "Preliminary Prospectus" means the preliminary form of the Prospectus dated March 19, 2007. For purposes of this Agreement, "free writing prospectus" has the meaning set forth in Rule 405 under the 1933 Act, and "Time of Sale Information" means the free writing prospectuses, if any, each identified in Annex A hereto. As used herein, the terms "Registration Statement," "Base Prospectus," "Preliminary Prospectus," "Time of Sale Information" and "Prospectus" shall include the documents, if any, incorporated by reference therein. Any reference herein to the terms "amend," "amendment" or "supplement" with respect to the Registration Statement, the Base Prospectus, the Preliminary Prospectus, the Time of Sale Information and the Prospectus shall be deemed to refer to and include the filing of any document under the Securities Exchange Act of 1934, as amended (the "1934 Act"), after the date of this Underwriting Agreement, or the issue date of the Base Prospectus, the Preliminary Prospectus, the Time of Sale Information or the Prospectus, as the case may be, deemed to be incorporated therein by reference.

The Registration Statement and the Indenture, at the time and date the Registration Statement was declared effective by the Commission, complied, in all material respects, with the applicable provisions of the 1933 Act and the 1939 Act, respectively, and the applicable rules and regulations of the Commission thereunder. The Registration Statement, at the time and date it was declared effective by the Commission, and on each subsequent effective date, did not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading. The Preliminary Prospectus and the Time of Sale Information, on March 20, 2007, did not, and at the Closing Time, will not, contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The Prospectus, as of its date and at the date it is filed with, or transmitted for filing to, the Commission pursuant to Rule 424 and on the Closing Time, will comply, in all

material respects, with the applicable provisions of the 1933 Act and will not contain an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided, however, that the Company makes no representations or warranties as to (i) that part of the Registration Statement which shall constitute the Statement of Eligibility and Qualification (Form T-1) of the Trustee under the 1939 Act or (ii) the information contained in or omitted from the Registration Statement, the Preliminary Prospectus, the Time of Sale Information or the Prospectus or any amendment thereof or supplement thereto in reliance upon and in conformity with information furnished to the Company in writing by or on behalf of any Underwriter through the Representatives specifically for use in the Registration Statement, the Preliminary Prospectus, the Time of Sale Information or the Prospectus or any amendment thereof or supplement thereto.

(b) Issuer Free Writing Prospectus. Other than the Preliminary Prospectus and the Prospectus, the Company (including its agents and representatives, other than the Underwriters in their capacity as such) has not made, used, prepared, authorized, approved or referred to and will not prepare, make, use, authorize, approve or refer to any free writing prospectus (each an “Issuer Free Writing Prospectus”) other than the documents listed on Annex A hereto and other written communications approved in writing in advance by the Representatives.

Each Issuer Free Writing Prospectus and the documents listed on Annex A hereto do not include any information that conflicts with the information contained in the Registration Statement, including any document incorporated therein by reference and any prospectus supplement deemed to be a part thereof that has not been superseded or modified. The foregoing sentence does not apply to statements in or omissions from any Issuer Free Writing Prospectus based upon and in conformity with written information furnished to the Company by any Underwriter through the Representatives specifically for use therein.

(c) Incorporated Documents. The documents incorporated by reference in the Registration Statement, the Preliminary Prospectus, the Time of Sale Information and the Prospectus, when they became effective or at the time they were or hereafter, until the Closing Time, are filed with the Commission, complied and will comply, as the case may be, in all material respects with the requirements of the 1934 Act and the rules and regulations of the Commission thereunder (the “1934 Act Regulations”).

(d) Independent Accountants. To the best of the Company’s knowledge, the accountants who certified the financial statements and any supporting schedules thereto included in the Registration Statement, the Preliminary Prospectus and the Prospectus are independent public accountants as required by the 1933 Act and the applicable rules and regulations of the Commission thereunder (the “1933 Act Regulations”).

(e) Financial Statements. The financial statements of the Company included in the Registration Statement, the Preliminary Prospectus and the Prospectus, together with the related schedules and notes, as well as those financial statements, schedules and notes of any other entity included therein, present fairly the financial position of the Company at the dates indicated, and the statement of operations, stockholders’ equity and cash flows of the Company for the periods specified. Such financial statements have been prepared in conformity with generally accepted

accounting principles (“GAAP”) applied on a consistent basis throughout the periods involved, except as otherwise noted therein and subject, in the case of interim financial statements, to normal year-end audit adjustments. The supporting schedules, if any, included in the Registration Statement, the Preliminary Prospectus and the Prospectus present fairly in accordance with GAAP the information required to be stated therein.

(f) No Material Adverse Change in Business. Since the date of the most recent consolidated financial statements included or incorporated by reference in the Registration Statement, the Preliminary Prospectus, the Time of Sale Information and the Prospectus, except as otherwise stated therein, there has been no material adverse change in the financial condition, results of operations or business affairs of the Company and its subsidiaries considered as one enterprise (a “Material Adverse Effect”).

(g) Good Standing. The Company and the Guarantor are validly existing as corporations in good standing under the laws of the State of Delaware and have corporate power and authority to own, lease and operate their respective properties and to conduct their respective businesses as described in the Preliminary Prospectus and the Prospectus and to enter into and perform their respective obligations under, or as contemplated under, this Underwriting Agreement. The Company and the Guarantor are duly qualified as foreign corporations to transact business and are in good standing in each other jurisdiction in which such qualification is required, whether by reason of the ownership or leasing of property or the conduct of business, except where the failures to so qualify or be in good standing would not in the aggregate result in a Material Adverse Effect.

(h) Good Standing of Designated Subsidiaries. Each “significant subsidiary” of the Company (as such term is defined in Rule 1-02 of Regulation S-X promulgated under the 1933 Act), if any, is validly existing as a corporation in good standing under the laws of the jurisdiction of its incorporation, has corporate power and authority to own, lease and operate its properties and to conduct its business as described in the Preliminary Prospectus and the Prospectus and is duly qualified as a foreign corporation to transact business and is in good standing in each jurisdiction in which such qualification is required, whether by reason of the ownership or leasing of property or the conduct of business, except where the failures to so qualify or be in good standing would not in the aggregate result in a Material Adverse Effect.

(i) Capitalization. All of the outstanding shares of capital stock of the Guarantor have been duly authorized and validly issued, are fully paid and non-assessable, and are wholly owned by the Company, free and clear of any lien, adverse claim, security interest, equity or other encumbrance except as described in the Prospectus and except where the existence of such liens, adverse claims, security interests, equity or other encumbrances would not, in the aggregate, result in a Material Adverse Effect.

(j) Authorization of Agreements. This Underwriting Agreement has been duly authorized, executed and delivered by the Company and the Guarantor.

(k) Authorization of the Securities. The Securities have been duly authorized by the Company and the Guarantor, as the case may be, for issuance and sale pursuant to this Underwriting Agreement. The Securities, when issued and authenticated in the manner provided

for in the Indenture and delivered against payment of the consideration therefor specified in this Underwriting Agreement, will have been duly executed, authenticated, issued and delivered and will constitute valid and legally binding obligations of the Company and the Guarantor, as the case may be, entitled to the benefits of the Indenture, enforceable against the Company and the Guarantor, as the case may be, in accordance with their terms, except as (i) the enforceability thereof may be limited by bankruptcy, insolvency (including, without limitation, all laws relating to fraudulent transfers), reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights generally and (ii) rights of acceleration, if any, and the availability of equitable remedies may be limited by equitable principles of general applicability (regardless of whether considered in a proceeding in equity or at law).

(l) *Authorization of the Indenture.* The Indenture has been duly authorized, executed and delivered by the Company and the Guarantor and, assuming the due authorization, execution and delivery by the trustee thereunder, constitutes a valid and binding agreement of the Company and the Guarantor, enforceable against the Company and the Guarantor in accordance with its terms, except as (i) the enforceability thereof may be limited by bankruptcy, insolvency (including, without limitation, all laws relating to fraudulent transfers), reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights generally and (ii) rights of acceleration, if any, and the availability of equitable remedies may be limited by equitable principles of general applicability (regardless of whether considered in a proceeding in equity or at law).

(m) *Description of the Securities and the Indenture.* The Securities and the Indenture conform in all material respects to the statements relating thereto contained in the Preliminary Prospectus, the Time of Sale Information and the Prospectus.

(n) *Absence of Defaults and Conflicts.* The issue and sale of the Securities and compliance by the Company and the Guarantor with all of the provisions of the Securities, the Indenture and this Underwriting Agreement and the consummation of the transactions contemplated herein and therein do not and will not, whether with or without the giving of notice or passage of time or both, conflict with or constitute a breach of, or default or Repayment Event (as defined below) under, any obligation, agreement, covenant or condition contained in any contract, indenture, mortgage, deed of trust, loan or credit agreement, note, lease or other agreement or instrument to which the Company, the Guarantor or any of their respective subsidiaries is a party or by which it or any of them may be bound, or to which any of the assets, properties or operations of the Company, the Guarantor or any of their respective subsidiaries is subject, nor will such action result in any violation of the provisions of the charter or by-laws of the Company, the Guarantor or any of their respective subsidiaries or any applicable law, statute, rule, regulation, judgment, order, writ or decree of any government, government instrumentality or court, domestic or foreign, having jurisdiction over the Company, the Guarantor or any of their respective subsidiaries or any of their assets, properties or operations, except, in any such case, for such conflicts, breaches or violations as would not individually or in the aggregate result in a Material Adverse Effect. As used herein, a "Repayment Event" means any event or condition which gives the holder of any note, debenture or other evidence of indebtedness (or any person acting on such holder's behalf) the right to require the repurchase, redemption or repayment of all or a portion of such indebtedness by the Company, the Guarantor or any of their respective subsidiaries.

(o) Absence of Proceedings. There is no action, suit, proceeding, inquiry or investigation before or brought by any court or governmental agency or body, domestic or foreign, now pending, or to the knowledge of the Company or the Guarantor, threatened, against or affecting the Company, the Guarantor or any of their respective subsidiaries which is required to be disclosed in the Registration Statement, the Preliminary Prospectus, the Time of Sale Information and the Prospectus (other than as stated therein).

(p) Absence of Further Requirements. No filing with, or authorization, approval, consent, license, order, registration, qualification or decree of, any court or governmental authority or agency, domestic or foreign, is necessary or required for the authorization, issuance, sale and delivery of the Securities by the Company and the Guarantor or for the performance by the Company or the Guarantor of the transactions contemplated under this Underwriting Agreement, except as otherwise set forth herein, and except such as have been already made, obtained or rendered, as applicable, and as may be required under state securities or Blue Sky laws in connection with the purchase and distribution of the Securities by the Underwriters and except where the failure to obtain any such filing, authorization, approval, consent, license, order, registration, qualification or decree would not individually or in the aggregate result in a Material Adverse Effect.

(q) Investment Company Act. The Company is not, and upon the issuance and sale of the Securities as herein contemplated and the application of the net proceeds therefrom as described in the Preliminary Prospectus, the Time of Sale Information and the Prospectus will not be, an “investment company” within the meaning of the Investment Company Act of 1940, as amended (the “1940 Act”).

(r) Officer’s Certificates. Any certificate signed by any officer of the Company, the Guarantor or any of their subsidiaries delivered to the Representatives or to counsel for the Underwriters shall be deemed a representation and warranty by the Company or the Guarantor, as the case may be, to each Underwriter as to matters covered thereby.

(s) Disclosure Controls. The Company maintains effective disclosure controls and procedures (as defined in Rule 13a-15(e) of the 1934 Act) that are designed to ensure that information required to be disclosed by the Company in reports that it files or submits under the 1934 Act is recorded, processed, summarized and reported within the time periods specified in the Commission’s rules and forms, including controls and procedures designed to ensure that such information is accumulated and communicated to the Company’s management as appropriate to allow timely decisions regarding required disclosure. The Company has carried out evaluations of the effectiveness of its disclosure controls and procedures as required by Rule 13a-15 of the 1934 Act.

(t) Accounting Controls. The Company maintains processes of internal control over financial reporting (as defined in Rule 13a-15(f) of the 1934 Act) designed by, or under the supervision of, its principal executive and principal financial officers, or persons performing similar functions, to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. Except as disclosed in the Registration Statement, the Preliminary Prospectus and the Prospectus, there are no material weaknesses in the design or

operation of internal control over financial reporting which are reasonably likely to adversely affect the Company's ability to record, process, summarize and report financial information.

(u) Sarbanes-Oxley Act. There is and has been no failure in any material respect on the part of the Company or, to the Company's knowledge, any of the Company's directors or officers, in their capacities as such, to comply with any provision of the Sarbanes-Oxley Act of 2002 and the rules and regulations promulgated in connection therewith (the "Sarbanes-Oxley Act"), including Section 402 related to loans and Sections 302 and 906 related to certifications by the Company's Chief Executive Officer and Chief Financial Officer.

(v) Status under the Securities Act. The Company is not an ineligible issuer, as defined under the Securities Act, at the times specified in the Securities Act in connection with the offering of the Securities.

(w) Broadcasting Operations. Except as disclosed in the Registration Statement, Preliminary Prospectus, Time of Sale Information and Prospectus or as would not individually or in the aggregate result in a Material Adverse Effect: the Company and its subsidiaries hold all material Federal Communications Commission (the "FCC") permits, licenses, authorizations and approvals for its broadcast stations (collectively, the "Authorizations") that are necessary to conduct their respective businesses in the manner in which they are currently being conducted; the Authorizations are in full force and effect; the operations of the stations owned or operated by the Company or any of its subsidiaries (the "Stations") are in all material respects in compliance with the Communications Act of 1934, as amended, and the rules, regulations, written policies and decisions of the FCC thereunder (collectively, the "Communications Act"); and all reports and documents that are required by the Communications Act to be filed with respect to the ownership, management or operation of the Stations have been duly and timely filed.

2. Sale and Delivery to Underwriters; Closing.

(a) Securities. Subject to the terms and conditions set forth herein, the Company agrees to issue and sell to each of the Underwriters, and each of the Underwriters agrees, severally and not jointly, to purchase from the Company, at the price set forth in Schedule 2 hereto, the aggregate principal amount of the Securities set forth in Schedule 1 hereto opposite the name of such Underwriter plus any additional principal amount of the Securities which such Underwriter may become obligated to purchase pursuant to the provisions of Section 10 hereof.

Payment. Payment of the purchase price for, and delivery of, the Securities shall be made at the offices of the Company, 51 West 52nd Street, New York, New York 10019, or at such other place as shall be agreed upon by the Representatives and the Company, at 9:00 A.M. (Eastern time) on March 27, 2007 (unless postponed in accordance with the provisions of Section 10), or such other time not later than ten business days after such date as shall be agreed upon by the Representatives and the Company (such time and date of payment and delivery being herein called the "Closing Time").

Payment shall be made to the Company by wire transfer of immediately available funds to a bank account designated by the Company, against delivery to the Representatives for the

respective accounts of the Underwriters of the Securities to be purchased by them. It is understood that each Underwriter has authorized the Representatives, for its account, to accept delivery of, receipt for, and make payment of the purchase price for, the Securities which it has severally agreed to purchase. The Representatives, individually and not as representatives of the Underwriters, may (but shall not be obligated to) make payment of the purchase price for the Securities to be purchased by any Underwriter whose funds have not been received by the Closing Time, but such payment shall not relieve such Underwriter from its obligations hereunder. Delivery of the Securities shall be made through the facilities of the Depository Trust Company (“DTC”), Clearstream Luxembourg Banking, societe anonyme, or Euroclear Bank S.A./N.V., as operator of the Euroclear System, unless the Representatives shall otherwise instruct.

(c) Restrictions on Resale. Each Underwriter agrees that it will not offer, sell or deliver any of the Securities, directly or indirectly, or distribute the Preliminary Prospectus, the Time of Sale Information or the Prospectus or any other offering material relating to the Securities, in or from any jurisdiction except under circumstances that will, to the best knowledge and belief of such Underwriter after reasonable investigation, result in compliance with the applicable laws and regulations thereof and which will not impose any obligations on the Company except as set forth in this Underwriting Agreement.

Each Underwriter represents and agrees that (i) it has only communicated or caused to be communicated and will only communicate or cause to be communicated any invitation or inducement to engage in investment activity (within the meaning of section 21 of the Financial Services and Markets Act 2000 (“FSMA”)) received by it in connection with the issue or sale of any Securities in circumstances in which section 21(1) of the FSMA does not apply to any Company or the Guarantor, and (ii) it has complied with and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to the Securities in, from or otherwise involving the United Kingdom.

In relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each, a “Relevant Member State”) each Underwriter represents and agrees, and each Underwriter further appointed will be required to represent and agree, that with effect from and including the date on which the Prospectus Directive was implemented in that Relevant Member State (the “Relevant Implementation Date”), it has not made and will not make an offer to the public of any Securities in that Relevant Member State prior to the publication of a prospectus in relation to the Securities which has been approved by the competent authority in that Relevant Member State or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State, all in accordance with the Prospectus Directive, except that it may, with effect from and including the Relevant Implementation Date, make an offer to the public in that Relevant Member State of any Securities at any time under the following exemptions under the Prospectus Directive, if they have been implemented in that Relevant Member State at any time:

(i) to legal entities which are authorized or regulated to operate in the financial markets or, if not so authorized or regulated, whose corporate purpose is solely to invest in securities;

(ii) to any legal entity which has two or more of (1) an average of at least 250 employees during the last fiscal year; (2) a total balance sheet of more than €43,000,000 and (3) an annual net turnover of more than €50,000,000, as shown in its last annual or consolidated accounts; or

(iv) in any other circumstances falling within Article 3(2) of the Prospectus Directive,

provided that no such offer of Securities shall result in a requirement for the publication by the Company or the Guarantor of a prospectus pursuant to Article 3 of the Prospectus Directive.

For the purposes of this provision, the expression an “offer to the public” in relation to any Securities in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and any Securities to be offered so as to enable an investor to decide to purchase or subscribe for any Securities, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State and the expression “Prospectus Directive” means Directive 2003/71/EC and includes any relevant implementing measure in each Relevant Member State.

Each Underwriter represents and agrees, and each Underwriter further appointed will be required to represent and agree that: (i) it has not offered or sold and will not offer or sell in Hong Kong, by means of any document, any senior notes other than (a) to “professional investors” as defined in the Securities and Futures Ordinance (Cap.571, Laws of Hong Kong) (the “Securities and Futures Ordinance”) and any rules made thereunder; or (b) in other circumstances which do not result in the document being a “prospectus” as defined in the Companies Ordinance of Hong Kong (Cap.32, Laws of Hong Kong) (the “Companies Ordinance”) or which do not constitute an offer to the public within the meaning of the Companies Ordinance; and (ii) it has not issued or had in its possession for the purposes of issue, and will not issue or have in its possession for the purposes of issue, whether in Hong Kong or elsewhere, any advertisement, invitation or document relating to the senior notes, which is directed at, or the contents of which are likely to be accessed or read by, the public of Hong Kong (except if permitted to do so under the securities laws of Hong Kong) other than with respect to senior notes which are or are intended to be disposed of only to persons outside Hong Kong or only to “professional investors” as defined in the Securities and Futures Ordinance and any rules made thereunder.

The Securities have not been and will not be registered under the Securities and Exchange Law of Japan (the “SEL”), and each Underwriter represents and agrees, and each Underwriter further appointed will be required to represent and agree, that the Securities being purchased by it will be purchased by it as principal, and that neither it nor any person acting on its behalf has offered or sold, or will offer or sell, any Securities, directly or indirectly, in Japan or to, or for the benefit of, any resident of Japan (which term shall mean any person resident in Japan or any corporation or entity organized under the laws of Japan) or to others for re-offering or resale, directly or indirectly, in Japan or to, or for the benefit of, any resident of Japan, except pursuant to an exemption from the registration requirements of the SEL and otherwise in compliance with the SEL and other relevant laws and regulations.

Neither the Preliminary Prospectus nor the Prospectus has been registered as a prospectus with the Monetary Authority of Singapore. Accordingly, each Underwriter represents and agrees, and each Underwriter further appointed will be required to represent and agree, that the Preliminary Prospectus, the Prospectus or any other document or material in connection with the offer or sale, or invitation for subscription or purchase, of the Securities shall not be circulated or distributed, nor shall the Securities be offered or sold, or be made the subject of an invitation for subscription or purchase, whether directly or indirectly, to persons in Singapore other than (i) to an institutional investor under Section 274 of the Securities and Futures Act, Chapter 289 of Singapore (the "SFA"), (ii) to a relevant person pursuant to Section 275(1) of the SFA, or any person pursuant to Section 275(1A), and in accordance with the conditions, specified in Section 275 of the SFA or (iii) otherwise pursuant to, and in accordance with the conditions of, any other applicable provision of the SFA.

(d) Free Writing Prospectuses. (i) The Company represents and agrees that, other than the final term sheet substantially in the form of Annex B hereto, without the prior consent of the Representatives, it has not made and will not make any offer relating to the Securities that would constitute a "free writing prospectus" as defined in Rule 405 under the 1933 Act; (ii) each Underwriter represents and agrees that, other than the final term sheet substantially in the form of Annex B hereto, without the prior consent of the Company, it has not made and will not make any offer relating to the Securities that would constitute a free writing prospectus; (iii) any such free writing prospectus, the use and content of which have been consented to by the Company and the Representatives (including the final term sheet substantially in the form of Annex B hereto) is listed on Annex A hereto. Notwithstanding anything to the contrary herein, the Company consents to the use by any Underwriter of a free writing prospectus that contains only (A)(i) information describing only the preliminary terms of the Securities or their offering and that is included in the final term sheet of the Company contemplated in clause (i) above, or (B) other information that is not "issuer information," as defined in Rule 433 under the Securities Act.

3. Covenants of the Company and the Guarantor. The Company and the Guarantor jointly and severally covenant with each Underwriter, as follows:

(a) Compliance with Securities Regulations and Commission Requests. The Company and the Guarantor, subject to Section 3(b), will comply with the requirements of Rule 430A, 430B or 430C of the 1933 Act Regulations, Rule 434 of the 1933 Act Regulations and Rule 462(b) of the 1933 Act Regulations, if and as applicable, will file any free writing prospectus to the extent required by Rule 433 under the 1933 Act, and will notify the Representatives immediately, and confirm the notice in writing, of (i) the effectiveness of any post-effective amendment to the Registration Statement or the filing of any supplement or amendment to the Prospectus, (ii) the receipt of any comments from the Commission, (iii) any request by the Commission for any amendment to the Registration Statement or any amendment or supplement to the Prospectus or for additional information, and (iv) the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or of any order preventing or suspending the use of the Prospectus, or of the suspension of the qualification of the Securities for offering or sale in any jurisdiction, or of the initiation or threatening of any proceedings for any of such purposes. The Company and the Guarantor will promptly effect the filings necessary pursuant to Rule 424 and will take such steps as it deems necessary to ascertain promptly whether the Prospectus transmitted for filing under Rule 424 was

received for filing by the Commission and, in the event that it was not, it will promptly file the Prospectus. The Company and the Guarantor will make every reasonable effort to prevent the issuance of any stop order and, if any stop order is issued, to obtain the lifting thereof at the earliest possible moment.

(a) Filing of Amendments. Prior to the Closing Time, the Company and the Guarantor will advise the Representatives promptly of their intention to file or prepare any amendment to the Registration Statement, any amendment, supplement or revision to the Prospectus, or any free writing prospectus, will furnish the Representatives with copies of any such documents or communications a reasonable amount of time prior to such proposed filing or use, as the case may be, and will not file or use any such document or communication to which the Representatives or counsel for the Underwriters shall reasonably object on a timely basis, unless, in the judgment of the Company or its counsel, such amendment or supplement or other document or communication is necessary to comply with law.

(b) Delivery of Registration Statements. The Company and the Guarantor have furnished or, if requested in writing by the Representatives, will deliver to the Representatives and counsel for the Underwriters, without charge, signed copies of the Registration Statement as originally filed and of each amendment thereto (including exhibits filed therewith or incorporated by reference therein and documents incorporated or deemed to be incorporated by reference therein) and signed copies of all consents and certificates of experts, and will also deliver to the Representatives, without charge, one conformed copy of the Registration Statement as originally filed and of each amendment thereto (without exhibits) for each of the Underwriters.

(c) Delivery of Prospectuses. The Company and the Guarantor will furnish to each Underwriter, without charge, during the period when the Prospectus is required to be delivered under the 1933 Act or the 1934 Act, such number of copies of the Prospectus and each free writing prospectus as such Underwriter may reasonably request.

(d) Continued Compliance with Securities Laws. The Company and the Guarantor will comply in all material respects with the 1933 Act and the 1933 Act Regulations and the 1934 Act and the 1934 Act Regulations so as to permit the completion of the distribution of the Securities as contemplated in this Underwriting Agreement and in the Registration Statement, the Preliminary Prospectus, the Time of Sale Information and the Prospectus. If at any time when the Prospectus is required by the 1933 Act or the 1934 Act to be delivered in connection with sales of the Securities, any event shall occur or condition shall exist as a result of which it is necessary, in the opinion of counsel for the Company or the Guarantor, after consultation with counsel for the Underwriters, to amend the Registration Statement in order that the Registration Statement will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading or to amend or supplement the Preliminary Prospectus, the Time of Sale Information or the Prospectus in order that the Preliminary Prospectus, the Time of Sale Information or the Prospectus will not include an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein not misleading in the light of the circumstances existing at the time it is delivered to a purchaser, or if it shall be necessary, in the opinion of counsel for the Company or the Guarantor, at any such time to amend the Registration Statement or amend or

supplement the Preliminary Prospectus, the Time of Sale Information or the Prospectus in order to comply with the requirements of the 1933 Act or the 1933 Act Regulations, the Company and the Guarantor will promptly prepare and file with the Commission, subject to Section 3(b), such amendment or supplement as may be necessary to correct such statement or omission or to make the Registration Statement, the Preliminary Prospectus, the Time of Sale Information or the Prospectus comply with such requirements, and the Company and the Guarantor will furnish to the Underwriters, without charge, such number of copies of such amendment or supplement as the Underwriters may reasonably request.

(e) Blue Sky Qualifications. The Company and the Guarantor will use their best efforts, in cooperation with the Underwriters, to qualify the Securities for offering and sale under the applicable securities laws of such states and other jurisdictions (domestic or foreign) as the Representatives may designate and to maintain such qualifications in effect for so long as required for the distribution of the Securities; provided, however, that the Company and the Guarantor shall not be obligated to file any general consent to service of process or to qualify as a foreign corporation or as a dealer in securities in any jurisdiction in which it is not so qualified or to subject itself to taxation in respect of doing business in any jurisdiction in which it is not otherwise so subject.

(f) Earnings Statement. The Company will timely file such reports pursuant to the 1934 Act as are necessary in order to make generally available to its securityholders an earnings statement for the purposes of, and to provide the benefits contemplated by, the last paragraph of Section 11(a) of the 1933 Act. The Company may elect to rely upon Rule 158 under the 1933 Act and may elect to make such earnings statement available more frequently than once in any period of twelve months.

(g) DTC. The Company will cooperate with the Representatives and use its reasonable best efforts to permit the Securities to be eligible for clearance and settlement through the facilities of DTC.

(h) Reporting Requirements. The Company, during the period when the Prospectus is required to be delivered under the 1933 Act or the 1934 Act, will file all documents required to be filed with the Commission pursuant to the 1934 Act within the time periods required by the 1934 Act and the 1934 Act Regulations.

(i) Record Retention. The Company will, to the extent required under Rule 433 under the 1933 Act, retain copies of each free writing prospectus that it has used and not filed with the Commission .

4. Payment of Expenses. The Company and the Guarantor will pay all expenses incident to the performance of its obligations under this Underwriting Agreement, including (i) the preparation, printing and filing of the Registration Statement (including financial statements and any schedules or exhibits and any document incorporated therein by reference) as originally filed and of each amendment or supplement thereto, (ii) the preparation, printing and delivery to the Underwriters of this Underwriting Agreement, any agreement among Underwriters, the Indenture and such other documents as may be required in connection with the offering, purchase, sale, issuance or delivery of the Securities, (iii) the preparation, issuance and delivery

of the Securities and any certificates for the Securities to the Underwriters, including any transfer taxes and any stamp or other duties payable upon the sale, issuance or delivery of the Securities to the Underwriters and any charges of DTC in connection therewith, (iv) the reasonable fees and disbursements of the Company's counsel, accountants and other advisors or agents (including transfer agents and registrars), as well as the fees and disbursements of the Trustee and its counsel, (v) the qualification of the Securities under state securities laws in accordance with the provisions of Section 3(f) hereof, including filing fees and the reasonable fees and disbursements of counsel for the Underwriters in connection therewith and in connection with the preparation, printing and delivery of the Blue Sky Survey, and any amendment thereto, (vi) the printing and delivery to the Underwriters of copies of the Prospectus and any amendments or supplements thereto, (vii) the fees charged by nationally recognized statistical rating organizations for the rating of the Securities, (viii) the filing fees incident to, and the reasonable documented fees and disbursements of counsel to the Underwriters in connection with, the review, if any, by the National Association of Securities Dealers (the "NASD") of the terms of the sale of the Securities, and (ix) the filing fees payable to the Commission in connection with the registration therewith of the Securities.

5. Conditions of Underwriters' Obligations. The obligations of the several Underwriters to purchase and pay for the Securities under this Underwriting Agreement are subject to the accuracy of the representations and warranties of the Company and the Guarantor contained in Section 1 hereof or in certificates of any officer of the Company, the Guarantor or any of their respective subsidiaries delivered pursuant to the provisions hereof, to the performance by the Company and the Guarantor of their respective covenants and other obligations hereunder, and to the following further conditions:

(a) Effectiveness of Registration Statement. No stop order suspending the effectiveness of the Registration Statement shall have been issued under the 1933 Act and no proceedings for that purpose, pursuant to Rule 401(g)(2) or pursuant to Section 8A under the 1933 Act, shall have been instituted or be pending or threatened by the Commission. A prospectus containing information relating to the description of the Securities, the specific method of distribution and similar matters shall have been filed with the Commission in accordance with Rule 424 under the 1933 Act Regulations.

(b) Opinion of Counsel for Company and the Guarantor. At the Closing Time, the Representatives shall have received the favorable opinion, dated as of the Closing Time, of Shearman & Sterling LLP, counsel for the Company and the Guarantor, and/or the general counsel of the Company and the Guarantor (or, if such general counsel is not available, an associate or deputy general counsel to the Company and the Guarantor that practices in the area of corporate and securities law), each in form and substance satisfactory to counsel for the Underwriters, together with signed or reproduced copies of such letter for each of the other Underwriters, with respect to such matters as the Underwriters may reasonably request.

(c) Opinion of Counsel for Underwriters. At the Closing Time, the Representatives shall have received the favorable opinion, dated as of the Closing Time, of Hughes Hubbard & Reed LLP, counsel for the Underwriters, together with signed or reproduced copies of such letter for each of the other Underwriters, with respect to such matters as the Underwriters may reasonably request.

(d) Officers' Certificate. At the Closing Time, the Representatives shall have received a certificate of the Executive Vice President, or a Senior Vice President or a Vice President of the Company and the Guarantor and of the chief financial officer or chief accounting officer of the Company and the Guarantor, dated as of the Closing Time, to the effect that (i) the representations and warranties in Section 1 are true and correct with the same force and effect as though expressly made at and as of the Closing Time, (ii) the Company and the Guarantor have complied with all agreements and satisfied all conditions on its part to be performed or satisfied in the Indenture or this Agreement at or prior to the Closing Time, and (iii) no stop order suspending the effectiveness of the Registration Statement has been issued and no proceedings for that purpose have been instituted, are pending or, to the best of such officer's knowledge, are threatened by the Commission.

(e) Accountant's Comfort Letter. At the time of the execution of this Underwriting Agreement, the Representatives shall have received from PricewaterhouseCoopers LLP a letter dated such date, in form and substance satisfactory to the Representatives, together with signed or reproduced copies of such letter for each of the other Underwriters, containing statements and information of the type ordinarily included in accountants' "comfort letters" to underwriters with respect to the financial statements and certain financial information contained or incorporated by reference in the Registration Statement, the Preliminary Prospectus, the Time of Sale Information and the Prospectus.

(f) Bring-down Comfort Letter. At the Closing Time, the Representatives shall have received from PricewaterhouseCoopers LLP a letter, dated as of the Closing Time, to the effect that they reaffirm the statements made in the letters furnished pursuant to subsection (e) of this Section 5, except that the specified date referred to shall be a date not more than three business days prior to the Closing Time.

(g) Ratings. Subsequent to the execution of this Agreement and prior to the Closing Time, there shall not have occurred any downgrading in the rating of any debt securities of the Company or the Guarantor by Standard & Poor's Ratings Services, a division of The McGraw Hill Companies, Inc., Moody's Investors Service, Inc. or Fitch Ratings Ltd. or any public announcement that any such organization has under surveillance or review its rating of any debt securities of the Company or the Guarantor (other than an announcement with positive implications of a possible upgrading, and no implication of a possible downgrading, of such rating).

(h) Additional Documents. At the Closing Time, counsel for the Underwriters shall have been furnished with such documents and opinions as they may reasonably require for the purpose of enabling them to pass upon the issuance and sale of the Securities as herein contemplated, or in order to evidence the accuracy of any of the representations or warranties, or the fulfillment of any of the conditions, herein contained; and all proceedings taken by the Company and the Guarantor in connection with the issuance and sale of the Securities as herein contemplated shall be satisfactory in form and substance to the Representatives and counsel for the Underwriters.

6. Indemnification.

(a) Indemnification of Underwriters. The Company and the Guarantor jointly and severally agree to indemnify and hold harmless each Underwriter and each person, if any, who controls any Underwriter within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act as follows:

(i) against any and all loss, liability, claim and damage whatsoever, as incurred, arising out of any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement (or any amendment thereto) or the omission or alleged omission therefrom of a material fact required to be stated therein or necessary to make the statements therein not misleading or arising out of any untrue statement or alleged untrue statement of a material fact included in the Base Prospectus, the Preliminary Prospectus, the Time of Sale Information, the Prospectus (or any amendment or supplement thereto), any free writing prospectus that the Company has filed, or is required to file, pursuant to Rule 433(d) under the 1933 Act, or the omission or alleged omission therefrom of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(ii) against any and all loss, liability, claim and damage whatsoever, as incurred, to the extent of the aggregate amount paid in settlement of any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission; provided that any such settlement is effected with the written consent of the Company and the Guarantor; and

(iii) against any and all out of pocket expense as reasonably incurred (including, subject to the limitations set forth in Section 6(c), the fees and disbursements of counsel chosen by the Representatives), in investigating, preparing or defending against any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission, to the extent that any such expense is not paid under (i) or (ii) above;

provided, however, that this indemnity agreement shall not apply to any loss, liability, claim, damage or expense (A) to the extent arising out of any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with written information furnished to the Company by any Underwriter through the Representatives expressly for use in the Registration Statement (or any amendment thereto) or the Base Prospectus, the Preliminary Prospectus, the Time of Sale Information, the Prospectus (or any amendment or supplement thereto), or any free writing prospectus that the Company has filed, or is required to file, pursuant to Rule 433(d) under the 1933 Act; or (B) to the extent arising out of or based upon any untrue statement or omission or alleged untrue statement or omission made in reliance upon Form T-1 under the 1939 Act filed as an exhibit to the Registration Statement.

(q) Indemnification of Company and the Guarantor, Directors and Officers. Each Underwriter severally agrees to indemnify and hold harmless the Company and the Guarantor, their directors, each of their officers who signed the Registration Statement, and each person, if any, who controls the Company or the Guarantor within the meaning of Section 15 of the 1933

Act or Section 20 of the 1934 Act against any and all loss, liability, claim, damage and expense described in the indemnity contained in subsection (a) of this Section, as incurred, but only with respect to untrue statements or omissions, or alleged untrue statements or omissions, made in the Registration Statement (or any amendment thereto), the Base Prospectus, the Preliminary Prospectus, the Time of Sale Information, the Prospectus (or any amendment or supplement thereto), or any free writing prospectus that the Company has filed, or is required to file, pursuant to Rule 433(d) under the 1933 Act in reliance upon and in conformity with written information furnished to the Company or the Guarantor by such Underwriter through the Representatives expressly for use in the Registration Statement (or any amendment thereto), such Base Prospectus, the Preliminary Prospectus, the Time of Sale Information, the Prospectus (or any amendment or supplement thereto), or such free writing prospectus that the Company has filed, or is required to file, pursuant to Rule 433(d) under the 1933 Act. This indemnity agreement will be in addition to any liabilities which any Underwriter may otherwise have.

(r) *Actions Against Parties; Notification.* Each indemnified party shall promptly give written notice to each indemnifying party of any action commenced against it in respect of which indemnity may be sought hereunder, but failure to so notify an indemnifying party shall not relieve such indemnifying party from any liability hereunder to the extent it is not materially prejudiced as a result thereof and in any event shall not relieve it from any liability which it may have otherwise than on account of this indemnity agreement. The indemnifying party shall be entitled to appoint counsel of the indemnifying party's choice at the indemnifying party's expense to represent the indemnified party in any action for which indemnification is sought (in which case the indemnifying party shall not thereafter be responsible for the fees and expenses of any separate counsel retained by the indemnified party or parties except as set forth below); provided, however, that such counsel shall be reasonably satisfactory to the indemnified party. Any indemnified party shall have the right to employ separate counsel in any such action, but the fees and expenses of such separate counsel shall be at the expense of the indemnified party unless (i) the employment of such counsel shall have been specifically authorized in writing by the indemnifying party, (ii) the indemnifying party shall have failed promptly to assume the defense and employ counsel or (iii) the named parties to any such action shall include both indemnified party and the indemnifying party, and such indemnified party shall have been advised by counsel that there may be one or more legal defenses available to it which are different from, or additional to, those available to the indemnifying party, it being understood, however, that the indemnifying party shall not, in connection with any one such action or separate but substantially similar or related actions in the same jurisdiction arising out of the same general allegations or circumstances, be liable for the reasonable fees and expenses of more than one separate firm of attorneys (in addition to any local counsel) for all such indemnified parties, which firm shall be designated in writing by the Representatives on behalf of all of such indemnified parties. No indemnifying party shall, without the prior written consent of the indemnified parties, settle or compromise or consent to the entry of any judgment with respect to any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever in respect of which indemnification or contribution could be sought under this Section 6 or Section 7 hereof, unless such settlement, compromise or consent includes an unconditional release of each indemnified party from all liability arising out of such litigation, investigation, proceeding or claim.

7. Contribution. If the indemnification provided for in Section 6 hereof is for any reason unavailable to or insufficient to hold harmless an indemnified party in respect of any losses, liabilities, claims, damages or expenses referred to therein, then each indemnifying party shall contribute to the aggregate amount of such losses, liabilities, claims, damages and expenses incurred by such indemnified party, as incurred, (i) in such proportion as is appropriate to reflect the relative benefits received by the Company, on the one hand, and the Underwriters, on the other hand, from the offering of the Securities pursuant to this Underwriting Agreement or (ii) if the allocation provided by clause (i) is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company, on the one hand, and of the Underwriters, on the other hand, in connection with the statements or omissions which resulted in such losses, liabilities, claims, damages or expenses, as well as any other relevant equitable considerations.

The relative benefits received by the Company, on the one hand, and the Underwriters, on the other hand, in connection with the offering of the Securities under this Underwriting Agreement shall be deemed to be in the same respective proportions as the total net proceeds from the offering of such Securities (before deducting expenses) received by the Company bear to the total underwriting discounts and commissions received by the Underwriters, in each case as set forth in the table on the cover page of the Prospectus.

The relative fault of the Company, on the one hand, and the Underwriters, on the other hand, shall be determined by reference to, among other things, whether any such untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information supplied by the Company or by the Underwriters and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

The Company, the Guarantor and the Underwriters agree that it would not be just and equitable if contribution pursuant to this Section 7 were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to above in this Section 7.

Notwithstanding the provisions of this Section 7, no Underwriter shall be required to contribute any amount in excess of the amount by which the total price at which the Securities underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages which such Underwriter has otherwise been required to pay by reason of any such untrue or alleged untrue statement or omission or alleged omission.

No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the 1933 Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation.

For purposes of this Section 7, each person, if any, who controls an Underwriter within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act shall have the same rights to contribution as such Underwriter, and each director of the Company, each officer of the Company who signed the Registration Statement, and each person, if any, who controls the

Company within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act shall have the same rights to contribution as the Company. The Underwriters' respective obligations to contribute pursuant to this Section 7 are several in proportion to the aggregate principal amount of Securities set forth opposite their respective names in Schedule I hereto, and not joint.

8. Representations, Warranties and Agreements to Survive Delivery. All representations, warranties and agreements contained in this Underwriting Agreement or in certificates of officers of the Company, the Guarantor or any of their respective subsidiaries submitted pursuant hereto shall remain operative and in full force and effect, regardless of any investigation made by or on behalf of any Underwriter or controlling person, or by or on behalf of the Company, and shall survive delivery of and payment for the Securities.

9. Termination.

(a) Underwriting Agreement. The Representatives may terminate this Underwriting Agreement, by notice to the Company, at any time at or prior to the Closing Time, if on or after the date hereof (i) there has occurred any material adverse change in the financial markets in the United States or any new outbreak of hostilities or escalation thereof involving the United States, in each case the effect of which is such as to make it, in the reasonable judgment of the Representatives, impracticable to market the Securities or to enforce contracts for the sale of the Securities, or (ii) trading in any securities of the Company has been suspended by the Commission or the New York Stock Exchange or the American Stock Exchange (other than pursuant to a request by the Company with respect to an announcement by the Company of certain information not constituting a material adverse change, since the date of the Underwriting Agreement, in the consolidated financial condition or earnings of the Company and its subsidiaries, considered as one enterprise), the effect of which is such as to make it, in the reasonable judgment of the Representatives, impracticable to market the Securities or to enforce contracts for the sale of the Securities, or (iii) trading generally on the New York Stock Exchange or the American Stock Exchange has been suspended or materially limited, or minimum or maximum prices for trading have been fixed, or maximum ranges for prices have been required, by either of said exchanges or by such system or by order of the Commission or any other governmental authority, or (iv) a banking moratorium has been declared by either Federal or New York authorities.

(s) Liabilities. If this Underwriting Agreement is terminated pursuant to this Section 9, such termination shall be without liability of any party to any other party except as provided in Section 4 hereof, and provided further that Sections 6, 7 and 8 and this paragraph 9(b) shall survive such termination and remain in full force and effect; provided, however, if any condition specified in Section 5 hereof shall not have been fulfilled when and as required to be fulfilled, this Agreement may be terminated by the Representatives by notice to the Company at any time at or prior to the Closing Time, and such termination shall be without liability of any other party except that (i) the Company shall reimburse the Underwriters for all their reasonable out of pocket expenses including the reasonable fees and expenses of counsel for the Underwriters and (ii) the provisions of Sections 6, 7, 8 and this paragraph 9(b) shall survive such termination and remain in full force and effect.

10. Default by One or More of the Underwriters. If one or more of the Underwriters shall fail at the Closing Time to purchase the Securities which it or they are obligated to purchase under this Underwriting Agreement (the "Defaulted Securities"), then the Representatives shall have the right, within 24 hours thereafter, to make arrangements for one or more of the non-defaulting Underwriters, or any other underwriters, to purchase all, but not less than all, of the Defaulted Securities in such amounts as may be agreed upon and upon the terms herein set forth; if, however, the Representatives shall not have completed such arrangements within such 24-hour period, then:

(a) if the number or aggregate principal amount, as the case may be, of Defaulted Securities does not exceed 10% of the aggregate principal amount of Securities set forth on Schedule I hereto, the non-defaulting Underwriters shall be obligated, severally and not jointly, to purchase the full amount thereof in the proportions that their respective underwriting obligations hereunder bear to the underwriting obligations of all non-defaulting Underwriters or in such other proportions as the Representatives may specify, or

(b) if the number or aggregate principal amount, as the case may be, of Defaulted Securities exceeds 10% of the aggregate principal amount of Securities set forth on Schedule I hereto, the non-defaulting Underwriters shall have the right to purchase all, but shall not be under any obligation to purchase any, of the Securities, and if such non-defaulting Underwriters do not purchase all the Securities, this Underwriting Agreement will terminate without liability to any non-defaulting Underwriter or the Company.

No action taken pursuant to this Section 10 shall relieve any defaulting Underwriter from liability in respect of its default.

In the event of any such default which does not result in a termination of this Underwriting Agreement, either the Representatives or the Company shall have the right to postpone the Closing Time for a period not exceeding seven days in order to effect any required changes in the Registration Statement or the Prospectus or in any other documents or arrangements.

11. Notices. All notices and other communications hereunder shall be in writing and shall be deemed to have been duly given if mailed or transmitted by any standard form of telecommunication. Notices to the Underwriters shall be directed to the Representatives c/o Citigroup Global Markets Inc., 388 Greenwich St., New York, NY 10013, attention: General Counsel, and c/o Merrill Lynch, Pierce, Fenner & Smith Incorporated, Merrill Lynch World Headquarters, World Financial Center, North Tower, New York, New York 10281-1209, Attention: Debt Syndicate; and notices to the Company and the Guarantor shall be directed to them at CBS Corporation, 51 West 52nd Street, New York, New York 10019, attention of General Counsel.

12. Parties. This Underwriting Agreement shall inure to the benefit of and be binding upon the Company, the Representatives and the other Underwriters and their respective successors. Nothing expressed or mentioned in this Underwriting Agreement is intended or shall be construed to give any person, firm or corporation, other than the Underwriters and the Company and their respective successors and the controlling persons and officers and directors

referred to in Sections 6 and 7 and their heirs and legal representatives, any legal or equitable right, remedy or claim under or in respect of this Underwriting Agreement or any provision herein contained. This Underwriting Agreement and all conditions and provisions hereof are intended to be for the sole and exclusive benefit of the parties hereto and their respective successors, and said controlling persons and officers and directors and their heirs and legal representatives, and for the benefit of no other person, firm or corporation. No purchaser of Securities from any Underwriter shall be deemed to be a successor by reason merely of such purchase.

13. GOVERNING LAW. THIS UNDERWRITING AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO THE PRINCIPLES OF CONFLICTS OF LAWS THEREOF.

14. Effect of Headings. The Article and Section headings herein and the Table of Contents are for convenience only and shall not affect the construction hereof.

15. Counterparts. This Underwriting Agreement may be executed in two or more counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were on the same instrument.

If the foregoing is in accordance with your understanding of our agreement, please sign and return to the Company a counterpart hereof, whereupon this Underwriting Agreement, along with all counterparts, will become a binding agreement among each of the Underwriters, the Company and the Guarantor in accordance with its terms.

Very truly yours,

FORM OF NOTE

Unless this certificate is presented by an authorized representative of The Depository Trust Company, a New York corporation (“DTC”), to the Company (as defined below) or its agent for registration of transfer, exchange or payment, and any certificate issued is registered in the name of Cede & Co. or such other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is requested by an authorized representative of DTC), ANY TRANSFER, PLEDGE OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL, since the registered owner hereof, Cede & Co., has an interest herein.

This Security is a global Security within the meaning of the Indenture (as defined below) and is registered in the name of the Depository or a nominee of the Depository. This Security is exchangeable for Securities registered in the name of a person other than the Depository or its nominee only in the limited circumstances described in the Indenture. Unless and until this certificate is exchanged in whole or in part for Securities in definitive registered form in accordance with the provisions of the Indenture applicable to such exchange, this certificate may not be transferred except as a whole by the Depository to a nominee of the Depository or by a nominee of the Depository to the Depository or another nominee of the Depository or by the Depository or any such nominee to a successor Depository or a nominee of such successor Depository.

6.750% Senior Notes due 2056

Unconditionally guaranteed as to payment of
principal of and interest by
CBS OPERATIONS INC.
(a wholly owned subsidiary of CBS Corporation)

\$(_____)

CUSIP: 124857 400

CBS Corporation, a Delaware corporation (herein called the "Company", which term includes any successor Person under the Indenture hereinafter referred to), for value received, hereby promises to pay to Cede & Co., or registered assigns, the principal sum of \$(_____)] on March 27, 2056 at the office or agency of the Company referred to below, and to pay interest thereon on June 27, 2007 and quarterly in arrears thereafter, on March 27, June 27, September 27 and December 27 of each year (each, an "Interest Payment Date"), from June 27, 2007, or from the most recent Interest Payment Date to which interest has been paid or duly provided for, at the rate of 6.750% per annum, until the principal hereof is paid or duly provided for.

The interest so payable, and punctually paid or duly provided for, on any Interest Payment Date will, as provided in such Indenture, be paid, in immediately available funds, to the Person in whose name this Security (or one or more Predecessor Securities) is registered at the close of business on the Regular Record Date for such interest, which shall be the March 12, June 12, September 12 or December 12, as the case may be, preceding such Interest Payment Date. Any such interest not so punctually paid or duly provided for shall forthwith cease to be payable to the Holder on such Regular Record Date, and such Defaulted Interest, may be paid to the Person in whose name this Security (or one or more Predecessor Securities) is registered at the close of business on a Special Record Date for the payment of such Defaulted Interest to be fixed by the Trustee, notice whereof shall be given to Holders of Securities not less than 10 days prior to such Special Record Date, or may be paid at any time in any other lawful manner, all as more fully provided in said Indenture.

Payment of the principal of and interest on this Security will be made at the Corporate Trust Office of the Trustee or such other office or agency of the Company as may be designated for such purpose, in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts; *provided however*, that each installment of interest and principal on this Security may at the Company's option be paid by check to the payee or in immediately available funds by transfer to an account maintained by the payee located in the United States.

Any payment of principal or interest required to be made on a day that is not a Business Day need not be made on such day, but may be made on the next succeeding Business Day and no interest shall accrue as a result of such delayed payment. For purposes of this Security, "Business Day" means any day that is not a Saturday or Sunday and that, in The City of New York, is not a day on which banking institutions are generally authorized or obligated by law or executive order to close.

General. This Security is one of a duly authorized issue of securities of the Company (herein called the "Securities"), unlimited in aggregate principal amount, issued and to be issued in one or more series under an indenture dated as of June 22, 2001 among the Company (formerly known as Viacom

Inc.), CBS Operations Inc. (formerly known as Viacom International Inc.), as guarantor (the “Guarantor”) and The Bank of New York, as trustee (herein called the “Trustee”, which term includes any successor trustee under the Indenture) (the “Indenture”), to which Indenture and the respective resolutions of the Company’s board of directors or resolutions pursuant the authority of the board of directors, an Officer’s Certificate and/or indentures supplemental thereto, as the case may be, reference is hereby made for a statement of the respective rights, limitations of rights, duties, obligations and immunities thereunder of the Company, the Trustee and the Holders of the Securities, and of the terms upon which the Securities are, and are to be, authenticated and delivered. This Security is one of a series designated as 6.750% Senior Notes due 2056, initially limited in aggregate principal amount to \$700,000,000. This Security is a global Security representing \$[] of the Securities.

Authorized Denominations. The Securities of this series are issuable only in registered form without coupons in denominations of \$25 and any integral multiple thereof.

Book-Entry Security. This Security is a “book-entry” Security and is being registered in the name of Cede & Co., as nominee of The Depository Trust Company (“DTC”). Subject to the terms of the Indenture, this Security will be held by DTC or its nominee, and beneficial interests will be held by beneficial owners through the book-entry facilities of DTC or its nominee in minimum denominations of \$25 and integral multiples thereof. As long as this Security is registered in the name of DTC or its nominee, the Trustee will make payments of principal of and interest on this Security by wire transfer of immediately available funds to DTC or its nominee. Notwithstanding the above, upon the maturity of this Security, the principal, together with accrued interest thereon, will be paid in immediately available funds upon surrender of this Security at the Corporate Trust Office of the Trustee or such other offices or agencies appointed by the Trustee for that purpose or such other locations provided in the Indenture.

Event of Default. If an Event of Default with respect to Securities of this series shall occur and be continuing, the principal of the Securities of this series may be declared due and payable in the manner and with the effect provided in the Indenture.

Payment of Additional Amounts. The Company shall, subject to the exceptions and limitations set forth below, pay as additional interest on the Securities such additional amounts as are necessary so that the net payment by the Company or a paying agent of the principal of and interest on the Securities to a person that is a non-U.S. holder, after deduction for any present or future tax, assessment or governmental charge of the United States or a political subdivision or taxing authority thereof or therein, imposed by withholding with respect to the payment, shall not be less than the amount that would have been payable in respect of our notes had no withholding or deduction been required.

The Company’s obligation to pay additional amounts shall not apply:

(1) to any tax, assessment or governmental charge that is imposed or withheld solely because the beneficial owner, or a fiduciary, settlor, beneficiary or member of the beneficial owner if the beneficial owner is an estate, trust or partnership, or a person holding a power over an estate or trust administered by a fiduciary holder:

- (a) is or was present or engaged in trade or business in the United States or has or had a permanent establishment in the United States;
- (b) is or was a citizen or resident or is or was treated as a resident of the United States;
- (c) is or was a foreign or domestic personal holding company, a passive foreign

investment company or a controlled foreign corporation with respect to the United States or is or was a corporation that has accumulated earnings to avoid United States federal income tax; or

(d) is or was a “10-percent shareholder” of the Company;

(2) to any holder that is not the sole beneficial owner of the Securities, or a portion thereof, or that is a fiduciary or partnership, but only to the extent that the beneficial owner, a beneficiary or settlor with respect to the fiduciary, or a member of the partnership would not have been entitled to the payment of an additional amount had such beneficial owner, beneficiary, settlor or member received directly its beneficial or distributive share of the payment;

(3) to any tax, assessment or governmental charge that is imposed or withheld solely because the beneficial owner or any other person failed to comply with certification, identification or information reporting requirements concerning the nationality, residence, identity or connection with the United States of the holder or beneficial owner of the Securities, if compliance is required by statute, by regulation of the United States Treasury Department or by an applicable income tax treaty to which the United States is a party as a precondition to exemption from such tax, assessment or other governmental charge;

(4) to any tax, assessment or governmental charge that is imposed other than by deduction or withholding by the Company or a paying agent from the payment;

(5) to any tax, assessment or governmental charge that is imposed or withheld solely because of a change in law, regulation, or administrative or judicial interpretation that becomes effective after the day on which the payment becomes due or is duly provided for, whichever occurs later;

(6) to an estate, inheritance, gift, sales, excise, transfer, wealth or personal property tax or any similar tax, assessment or governmental charge;

(7) to any tax, assessment or other governmental charge any paying agent (which term may include the Company) must withhold from any payment of principal of or interest on any note, if such payment can be made without such withholding by any other paying agent; or

(8) in the case of any combination of the above items.

For purposes of this provision, the term “non-U.S. holder” means a beneficial owner of senior notes who is an individual, estate, corporation or trust that is not a U.S. holder. The term “U.S. holder” means a beneficial owner of senior notes who is an individual who is a citizen or resident of the United States, an estate subject to U.S. federal income taxation without regard to the source of its income, a corporation or other business entity treated as a corporation for U.S. federal income tax purposes created or organized in or under the laws of the United States, any state thereof or the District of Columbia, or a trust if a valid election to be treated as a U.S. person, as defined in the Code, is in effect with respect to such trust or both: (x) a court within the United States is able to exercise primary supervision over the administration of the trust, and (y) one or more U.S. persons have the authority to control all substantial decisions of the trust.

Redemption and Maturity. The Securities of this series are not subject to any sinking fund and are subject to redemption prior to maturity as set forth below.

Redemption upon a Tax Event. If (a) the Company becomes or shall become obligated to pay additional amounts as described herein under the section “Payment of Additional

Amounts” as a result of any change in, or amendment to, the laws (or any regulations or rulings promulgated thereunder) of the United States (or any political subdivision or taxing authority thereof or therein), or any change in, or amendments to, any official position regarding the application or interpretation of such laws, regulations or rulings, which change or amendment is announced or becomes effective on or after the date of this prospectus supplement, or (b) a taxing authority of the United States takes an action on or after March 20, 2007, whether or not with respect to the Company or any of the Company’s affiliates, that results in a substantial probability that the Company shall or may be required to pay such additional amounts, then the Company may, at its option, redeem, as a whole, but not in part, the Securities on any Interest Payment Date on not less than 30 nor more than 60 calendar days’ prior notice, at a redemption price equal to 100% of their principal amount, together with interest accrued thereon to the date fixed for redemption. However, the Company may determine, in its business judgment, that the obligation to pay these additional amounts cannot be avoided by the use of reasonable measures available to the Company, not including substitution of the obligor under the Securities. No redemption pursuant to (b) above may be made unless the Company shall have received an opinion of independent counsel to the effect that an act taken by a taxing authority of the United States results in a substantial probability that the Company shall or may be required to pay the additional amounts described herein under the section “Payment of Additional Amounts” and the Company shall have delivered to the Trustee a certificate, signed by a duly authorized officer, stating that based on such opinion the Company is entitled to redeem the Securities pursuant to their terms.

Optional Redemption. The Securities may be redeemed at the option of the Company, in whole or in part, at any time and from time to time on or after March 27, 2012 but prior to the stated maturity thereof, upon not less than 30 nor more than 60 days’ notice, at a redemption price equal to 100% of the principal amount redeemed plus accrued and unpaid interest to the redemption date. In the event of a deposit or withdrawal of an interest in this Security, including an exchange, transfer, redemption or conversion of this Security in part only, the Trustee, as custodian of the Depository, shall make an adjustment on its records to reflect such deposit or withdrawal in accordance with the rules and procedures of the Depository.

Defeasance and Covenant Defeasance. The Indenture contains provisions for defeasance at any time of (a) the entire indebtedness of the Company on this Security and (b) certain restrictive covenants and the related Defaults and Events of Default, upon compliance by the Company with certain conditions set forth therein, which provisions apply to this Security.

Modification and Waivers; Obligations of the Company Absolute. The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities of each series. Such amendment may be effected under the Indenture at any time by the Company, the Guarantor and the Trustee with the consent of the Holders of not less than a majority in aggregate principal amount of the Outstanding Securities of each series affected thereby. The Indenture also contains provisions permitting the Holders of not less than specified percentages in aggregate principal amount of the Outstanding Securities of each series, on behalf of the Holders of all the Securities of such series, to waive compliance by the Company and the Guarantor with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver shall be conclusive and binding upon the Holders of this Security and upon all future Holders of this Security and of any Security issued upon the registration of transfer hereof or in exchange hereof or in lieu hereof whether or not notation of such consent or waiver is made upon this Security.

As set forth in, and subject to, the provisions of the Indenture, no Holder of any Security of this series will have any right to institute any proceeding with respect to the Indenture or for any remedy thereunder, unless such Holder shall have previously given to the Trustee written notice of a

continuing Event of Default with respect to this series, the Holders of not less than 25% in principal amount of the Outstanding Securities of this series shall have made written request, and offered reasonable indemnity, to the Trustee to institute such proceeding as trustee, and the Trustee shall not have received from the Holders of a majority in principal amount of the Outstanding Securities of this series a direction inconsistent with such request and shall have failed to institute such proceeding within 60 days; *provided, however*, that such limitations do not apply to a suit instituted by the Holder hereof for the enforcement of payment of the principal of or interest on this Security on or after the respective due dates expressed herein.

No reference herein to the Indenture and no provision of this Security or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and interest on this Security at the times, place, and rate, and in the coin or currency, herein prescribed.

Registration of Transfer or Exchange. As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Security will be registered on the Security Register of the Company upon surrender of this Security for registration of transfer at the office or agency of the Company maintained for such purpose in New York, New York or at such other office or agency as the Company may designate, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed by, the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Securities of this series of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

As provided in the Indenture and subject to certain limitations therein set forth, the Securities of this series are exchangeable for a like aggregate principal amount of Securities of this series and of a different authorized denomination, as requested by the Holder surrendering the same.

No service charge shall be made for any registration of transfer or exchange of Securities, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to the time of due presentment of this Security for registration of transfer, the Company, the Guarantor, the Trustee and any agent of the Company, the Guarantor or the Trustee may treat the Person in whose name this Security is registered as the absolute owner hereof for all purposes, whether or not this Security be overdue, and none of the Company, the Guarantor, the Trustee or any agent of the Company, the Guarantor or the Trustee shall be affected by notice to the contrary.

This Security is a global Security. If at any time, a Depositary is at any time unwilling or unable to continue as Depositary and a successor Depositary is not appointed by the Company within 90 days, then the Company will execute and the Trustee will authenticate and deliver Securities in definitive registered form, in authorized denominations, and in an aggregate principal amount equal to the principal amount of this Security in exchange for this Security. Such Securities in definitive registered form shall be registered in such names and issued in such authorized denominations as the Depositary, pursuant to instructions from its direct or indirect participants or otherwise, shall instruct the Trustee. The Trustee shall deliver such Securities to the Persons in whose names such Securities are so registered.

Defined Terms. All terms used in this Security that are defined in the Indenture and are not otherwise defined herein shall have the meanings assigned to them in the Indenture.

Governing Law. This Security shall be governed by, and construed in accordance with,

the laws of the State of New York.

Unless the certificate of authentication hereon has been duly executed by or on behalf of The Bank of New York, as Trustee under the Indenture, or its successor thereunder, by the manual signature of one of its authorized officers, this Security shall not be entitled to any benefit under the Indenture, or be valid or obligatory for any purpose.

IN WITNESS WHEREOF, the Company has caused this instrument to be duly executed.

FORM OF GUARANTEE OF CBS OPERATIONS INC.

FOR VALUE RECEIVED, CBS OPERATIONS INC., a corporation duly organized and existing under the laws of the State of Delaware (herein called the "Guarantor", which term includes any successor corporation under the Indenture referred to in the Security upon which this Guarantee is endorsed), hereby fully and unconditionally guarantees to the holder of the Security upon which this Guarantee is endorsed the due and punctual payment of the principal of and interest (including, in case of default, interest on principal and, to the extent permitted by applicable law, on overdue interest), if any, on this Security, when and as the same shall become due and payable, whether at Stated Maturity, upon redemption, upon declaration of acceleration or otherwise, according to the terms thereof and of the Indenture referred to therein. In case of the failure of CBS Corporation or any successor thereto (herein called the "Company") punctually to pay any such principal or interest, the Guarantor hereby agrees to cause any such payment to be made punctually when and as the same shall become due and payable, whether at Stated Maturity, upon redemption, upon declaration of acceleration or otherwise, as if such payment were made by the Company.

The Guarantor hereby agrees that its obligations hereunder shall be as if it were principal debtor and not merely surety, and shall be absolute and unconditional, irrespective of the identity of the Company, the validity, regularity or enforceability of this Security or said Indenture, the absence of any action to enforce the same, any waiver or consent by the Holder of this Security with respect to any provisions thereof, the recovery of any judgment against the Company or any action to enforce the same, or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor. The Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Company, any right to require a proceeding first against the Company, protest, notice and all demands whatsoever and covenants that this Guarantee will not be discharged except by complete performance of the obligations contained in this Security and in this Guarantee.

The Guarantor shall be subrogated to all rights of the Holder of this Security against the Company in respect of any amounts paid by the Guarantor pursuant to the provisions of this Guarantee or the Indenture referred to in this Security; *provided, however*, that the Guarantor shall not be entitled to enforce or to receive any payment arising out of, or based upon, such right of subrogation until the principal of and interest on all Securities of the series of which the Security upon which this Guarantee is endorsed constitutes a part shall have been indefeasibly paid in full.

The Indenture provides that in the event that this Guarantee would constitute or result in a fraudulent transfer or conveyance for purposes of, or result in a violation of, any United States federal, or applicable United States state, fraudulent transfer or conveyance or similar law, then the liability of the Guarantor hereunder shall be reduced to the extent necessary to eliminate such fraudulent transfer or conveyance or violation under the applicable fraudulent transfer or conveyance or similar law.

If the Trustee or the Holder of the Security upon which this Guarantee is endorsed is required by any court or otherwise to return to the Company or the Guarantor, or any custodian, receiver, liquidator, assignee, trustee, sequestrator or other similar official acting in relation to the Company or the Guarantor, any amount paid to the Trustee or such Holder in respect of the Security upon which this Guarantee is endorsed, this Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect. The Guarantor further agrees, to the fullest extent that it may lawfully do so, that, as between the Guarantor, on the one hand, and the Holders and the Trustee, on the other hand, the maturity of the

obligations guaranteed hereby may be accelerated as provided in Article Five of the Indenture for the purposes of this Guarantee, notwithstanding any stay, injunction or other prohibition extant under any applicable bankruptcy law preventing such acceleration in respect of the obligations guaranteed hereby.

This Guarantee shall be governed by, and construed in accordance with, the laws of the State of New York.

Subject to the next following paragraph, the Guarantor hereby certifies and warrants that all acts, conditions and things required to be done and performed and to have happened precedent to the creation and issuance of this Guarantee and to constitute the same valid obligation of the Guarantor have been done and performed and have happened in due compliance with all applicable laws.

This Guarantee shall not be valid or become obligatory for any purpose until the certificate of authentication on the Security upon which this Guarantee is endorsed has been signed by the Trustee under the Indenture referred to in this Security.

IN WITNESS WHEREOF, the Guarantor has caused this instrument to be duly executed.
