Explanation of Responses:

1. Represents cash dividends and interest credited during the previous quarter on director compensation previously deferred pursuant to the former Viacom Inc. (now CBS Corporation) deferred compensation arrangement for directors. These amounts are deemed invested quarterly in a number of Phantom Common Stock Units equal to the number of shares of Class A and Class B Common Stock that such amounts, if invested as equally as possible in the Class A and Class B Common Stock, would have purchased on the day the amounts are deemed invested. Phantom Common Stock Units are paid out after the Director's retirement from the Board and are settled in cash.
